7. Reports from Representations

7.1 AJCPTA - Teaching Australia Contract

- Funding from Teaching Australia to AJCPTA has halved and sits with AJCPTA rather than state associations. AJCPTA has submitted a project plan but there are a number of deliverables for which we are committed and for some can obtain funding. This includes:
 - **Web 2.0 Workshop for member Associations** - \$2500 is available to hold a Forum to build capacity. We will trial the workshop in SE Qld first and then look at regional options. Motion to approach and pay Karen Bonanno for organisation of workshop for member associations.
Moved Caroline Brooks **Seconded** Beryl Exley **Carried**
Janet will contact Karen.
 - **National Teaching Awards**
Associations are encouraged to publicise these awards. In the past JCQTA has supported the writing of nominations which has resulted in 3 award winners. Motion to assist with nominations, it is proposed that JCQTA engage writer Angela Murphy. It typically costs around \$500 per nomination which JCQTA will fund. It is proposed that JCQTA allocate \$3000 for the preparation of 6 applications.
Moved Janet Cochrane **Seconded** Rosie Abbate **Carried**
Janet to Approach Angela and circulate an email to associations.
Associations to respond to Janet with nominations but important to determine the category being nominated before writing process begins.

This should be a separate item - it isn't part of the Teaching Australia Contract

- **Primary Standards Consultation for Advanced Teachers** - this has been awarded to Australian Association of Mathematics Teachers but classroom teachers and associations with large numbers of primary members are encouraged to participate in the process via the website and nominate for the writing group.
Janet is on the advisory Board of Teaching Australia and the primary teacher nominated to the committee is Mark Merrick from WA Primary Teachers Association.
Teaching Australia consultation will occur at the Primary Conference in South Australia but JCQTA member associations could hold consultation sessions at their conferences as well. MYSA has indicated that their conference program is full.

Another separate item - not part of the Teaching Australia Contract

- **New Values Contract**
\$2500 is available to raise awareness of existing materials and encourage teachers to submit more examples. This could be conducted as part of a Forum. Motion to approach SOSEAQ to take carriage of this project.
Moved Janet Cochrane **Seconded** Caroline Brooks **Carried**
Janet to approach SOSEAQ.

If SOSEAQ is unable to take this on, Carolyn has offered to run a session at our forum to address this

7.2 Other

8. General Business

8.1 Report from President's Dinner - see Appendix 1

Caroline congratulated organisers of the Dinner and the main responses/issues are tabled in Appendix 1.

Among the items, the QCT CPD framework was mentioned - this has recently been tabled on the QCT website. One proposal is that a strategy for Associations to respond to this be developed.

Another item was how to attract and retain regional and rural members. It is proposed to investigate Videolinq technology for forums and the feasibility of reviving a north Queensland chapter of JCQTA.

More issues of concern included maintenance of association executives; access to joint meeting rooms; association management and media training.

Some of these issues may be topics for inclusion in future forums.

8.2 JCQTA Teacher Awards for member associations

These awards are for Associations to recognise valuable members of their executives and it is proposed that they be presented on World Teachers Day.

It was moved to proceed with the development of these awards.

Moved Janet Cochrane **Seconded** Caroline Brooks **Carried**

Criteria will be forwarded to Associations by May.

8.2 April Forum - April 29th

These will be twilight session with 2 speakers through TAFE Videolinq to allow regional members to participate - 2 sessions of 50 minutes.

Videolinq network costs \$100 per hour per site and \$70 booking fee. Associations should advise sites at which they have concentrations of members to allow most effective sites to be chosen

Potential speakers could include QCT - on new CPD framework and National Curriculum.

Jackie will investigate speakers and sites and work with Karen Bonanno to organise forum.

This will replace the April 22nd Meeting

8.3 Association Directory

Update of Directory will proceed. Associations to provide new contact/rate/general information to Jackie and Darlene Hill to update association weblinks on JCQTA page.

8.4 August Forum

Suggestion to invite Minister of Education to speak. Format, venue and date to be advised.

8.5 Promotion of professional associations in Education Views and other magazines

Further discussion of this to occur but suggestion to employ a PR person to promote professional associations

Meeting dates : April 29th Forum Venue :TBA

May 20th; June 17th; July 15th; August 22nd (Forum); Sept 16th (AGM); Oct 21st and November 18th.

Meeting closed at 5.15pm
